

To The Best Dad
In The World

My Daddy

Thankyou Daddy for loving me
in every way you do
For feeding me and helping me
and putting on my shoes
For keeping me safe and warm
and all your cuddles too
And teaching me what's right or wrong
and the way to choose
And at those times I hurt my toe
you put a plaster on
I'm so glad you are my dad
and that you are so strong
Coz your my hero Daddy
and I love you to
